3. Drug & Alcohol Testing (UA) Consent

Pre-employment urinalysis and ongoing testing.

Welding and field work is safety-sensitive. State of the Arc Welding & Services LLC is a drug-free workplace. As a condition of employment I will take a pre-employment urine drug screen, and I understand I may also be tested:

- Randomly, while employed
- After any accident or incident on the job or on a customer site
- When a supervisor has reasonable suspicion of impairment
- When a customer, pipeline operator, or site owner requires it (including DOT-regulated programs, if applicable)

I understand that:

- Testing will be done by a certified collection site and laboratory, and a non-negative result will be reviewed by a Medical Review Officer (MRO), who will give me a chance to explain any prescriptions.
- A positive result, an adulterated or substituted sample, or refusing to test can mean the job offer is withdrawn or my employment is terminated.
- Results are kept confidential and separate from my personnel file, and shared only with people who need them or as the law requires.

Current prescription medications (optional — you may give this to the MRO instead):

I consent to drug and alcohol testing as described above and authorize the collection site, laboratory and Medical Review Officer to release the results to State of the Arc Welding & Services LLC.

4. Background Check Disclosure

Required by the federal Fair Credit Reporting Act. Please read — no signature on this page.

State of the Arc Welding & Services LLC (the "Company") may obtain a **consumer report** and/or **investigative consumer report** about you from a consumer reporting agency for employment purposes. This may happen before you are hired and, if you are hired, at any time during your employment.

These reports may include information about your character, general reputation, personal characteristics and mode of living, and may include: criminal history, identity and Social Security number verification, prior employment verification, education and certification verification, and motor vehicle / driving records.

An investigative consumer report may involve personal interviews with sources such as former employers and references. You have the right to ask, in writing, for a complete and accurate disclosure of the nature and scope of any investigative consumer report.

You are entitled to a copy of "**A Summary of Your Rights Under the Fair Credit Reporting Act**," which is attached to this package. A criminal record does not automatically disqualify you; the Company considers the nature of the offense, how long ago it was, and whether it relates to the job.

5. Background Check Authorization

Sign to allow the Company to run the background check described in Section 4.

I have read the Background Check Disclosure and the Summary of Rights under the FCRA. I authorize State of the Arc Welding & Services LLC and its consumer reporting agency to obtain consumer reports and investigative consumer reports about me for employment purposes. This authorization stays valid during my employment unless I revoke it in writing.

I authorize courts, law enforcement agencies, past employers, schools, certification bodies and state motor-vehicle departments to release information about me to the Company's consumer reporting agency. A copy of this form is as valid as the original.

9. Proof of Identity & Work Authorization (Form I-9)

Every new employee in the U.S. completes a federal Form I-9 — citizens and non-citizens alike.

- **Section 1** of the I-9 is filled out by you, no later than your first day of work.
- **Section 2** is completed by the office within 3 business days of your start date, after we look at your original documents in person.
- Bring **ORIGINAL**, unexpired documents — photocopies and pictures on a phone cannot be accepted.
- **You choose** which documents to show from the lists below. Bring either **one item from List A**, **OR one from List B and one from List C**.

LIST A Proves identity AND work authorization	LIST B Proves identity	LIST C Proves work authorization
• U.S. Passport or Passport Card • Permanent Resident Card (Green Card) • Employment Authorization Document (Form I-766) • Foreign passport with Form I-94 or I-551 stamp • Other List A documents shown on the I-9 instructions	• Driver's license or state ID card with photo • School ID with photo • Voter registration card • U.S. military card or draft record • Native American tribal document	• Social Security card (without work restrictions) • U.S. birth certificate (original or certified copy) • Certification of Birth Abroad (FS-545 / DS-1350) • U.S. Citizen ID Card (I-197) • Native American tribal document

Most common combo: Texas driver's license (List B) + Social Security card or birth certificate (List C). A U.S. passport by itself also covers everything (List A).

Citizenship / immigration status: you will state your status yourself in Section 1 of the I-9 (U.S. citizen, noncitizen national, lawful permanent resident, or noncitizen authorized to work).

The **official Form I-9 follows this page**. Page 1 is the form, page 2 is the full list of acceptable documents, Supplement A is only used if someone helps you fill out Section 1 or translates it for you, and Supplement B is for the office if your work authorization later needs to be re-checked.

10. Tax Forms

Payroll setup.

- **Form W-4 (Federal Withholding) — required.** Tells us how much federal income tax to withhold from each paycheck. The official 2026 IRS Form W-4 is on the **next pages**. Fill out and sign **page 1** and turn it in; pages 2–5 are IRS instructions and worksheets for you to keep. Blank copies any time at irs.gov/w4.
- **Texas state withholding — none.** Texas has no state income tax, so there is no state withholding form.
- **Form W-2 — you receive this from us.** Every January, the Company mails you a W-2 showing what you earned and what was withheld the year before. Please keep your mailing address current so it reaches you.

Office reminder: report every new hire to the Texas Attorney General's Employer New Hire Reporting program within 20 days of the start date (employer.oag.texas.gov). Most payroll services, including QuickBooks Payroll, file this for you.

Personal
Information

(a) First name and middle initial	Last name	(b) Social security number
Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
City or town, state, and ZIP code		
(c) ☐ Single or Married filing separately ☐ Married filing jointly or Qualifying surviving spouse ☐ Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		
Caution: To claim certain credits or deductions on your tax return, you (and/or your spouse if married filing jointly) are required to have a social security number valid for employment. See page 2 for more information.		

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if you: are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2:
Multiple Jobs
or Spouse
Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

- (a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**
- (b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**
- (c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than Step 2(b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, Step 2(b) is more accurate ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3:
Claim
Dependent
and Other
Credits

If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):

(a) Multiply the number of qualifying children under age 17 by \$2,200 **3(a)** \$

(b) Multiply the number of other dependents by \$500 **3(b)** \$

Add the amounts from Steps 3(a) and 3(b), plus the amount for other credits. Enter the total here **3** \$

Step 4:
Other
Adjustments

(a) **Other income (not from jobs).** If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income **4(a)** \$

(b) **Deductions.** Use the Deductions Worksheet on page 4 to determine the amount of deductions you may claim, which will reduce your withholding. (If you skip this line, your withholding will be based on the standard deduction.) Enter the result here . . . **4(b)** \$

(c) **Extra withholding.** Enter any additional tax you want withheld each **pay period** . . . **4(c)** \$

Exempt from
withholding

I claim exemption from withholding for 2026, and I certify that I meet **both** of the conditions for exemption for 2026. See *Exemption from withholding* on page 2. I understand I will need to submit a new Form W-4 for 2027 . . . ☐

Step 5:
Sign
Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2026 if you meet both of the following conditions: you had no federal income tax liability in 2025 **and** you expect to have no federal income tax liability in 2026. You had no federal income tax liability in 2025 if (1) your total tax on line 24 on your 2025 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2026 tax return. To claim exemption from withholding, certify that you meet both of the conditions by checking the box in the *Exempt from withholding* section. Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 16, 2027.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount of tax withheld will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain credits. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4.

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 15, if you expect to claim deductions other than the basic standard deduction on your 2026 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for qualified tips, overtime compensation, and passenger vehicle loan interest; student loan interest; IRAs; and seniors. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain deductions. For additional eligibility requirements, see Pub. 501.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe when you file your tax return.

Step 2(b) – Multiple Jobs Worksheet *(Keep for your records.)*

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

12. Payroll Deduction Authorization

Texas law lets an employer take money out of a paycheck only with the employee's written permission for a lawful purpose.

I authorize State of the Arc Welding & Services LLC to deduct from my pay **only** for the items I have initialed below.

Your Initials	Deduction	Amount
	Company tools or equipment issued to me that I lose, or don't return when my job or employment ends	Replacement cost of the item, as listed on my tool / PPE issue record
	PPE I lose or damage on purpose (normal wear and tear is replaced free)	Replacement cost of the item
	Extra uniforms or FR clothing I choose to buy beyond what the Company issues	Price agreed in writing before purchase
	Pay advances or loans from the Company	Amount advanced, on the written repayment schedule
	Personal purchases on a company fuel card or account	Actual amount charged
	Other: _____	

How deductions work

- Before any deduction, the office will tell me in writing what it is for and how much.
- A deduction will never lower my pay for the week below the federal minimum wage for the hours I worked, or reduce overtime pay I've earned.
- If a large amount is owed, it can be spread over several paychecks, agreed in writing.
- Authorized deductions may be taken from my final paycheck, under the same limits.
- I can cancel this authorization for future deductions by telling the office in writing. Money I already owe, such as an advance I received, will still be repaid as agreed.
- If I disagree with a deduction, I can raise it with the office. I may also contact the Texas Workforce Commission.

13. Workers' Compensation Notice

Texas employers must tell every new employee, at hire, whether they carry workers' compensation insurance.

Office checks one box and fills in the details:

☐ **The Company HAS workers' compensation insurance**

Insurance Carrier

Policy Number

Coverage Dates

- If you are hurt on the job, workers' comp can pay for your medical care and part of your lost wages, no matter who was at fault.
- **Report any work injury to the Company within 30 days** (Company policy: the same shift — see Section 15). File a claim with the Texas Division of Workers' Compensation within 1 year of the injury.
- You may keep your common-law right to sue the Company instead of being covered by workers' comp. To do that, you must notify the Company **in writing within 5 days** of starting work.

☐ **The Company does NOT have workers' compensation insurance**

- This means workers' compensation benefits are not available to you.
- You keep your right to sue the Company if you are hurt on the job because of the Company's negligence.
- Occupational injury benefit plan: ☐ The Company provides one (details attached) ☐ None

14. Shop Rules

The short version. Your supervisor will go over anything specific to a job site.

Attendance & hours

- Be on time and ready to work at the start of your shift.
- Late or absent? **Call** your supervisor — don't just text — at least 1 hour before your start time.
- Missing 2 scheduled days in a row without calling is treated as quitting.
- Record all your hours accurately, the same day. No working off the clock, and never record time for someone else.
- Get overtime approved ahead of time. Overtime you work is always paid.

Safety

- Wear your PPE at all times in the shop and in the field (Section 17).
- Follow hot work permits, fire watch and lockout/tagout rules on every job.
- Never weld or cut on a drum, tank or line that held anything flammable until it has been cleaned and tested.
- Follow every customer's site rules and orientation.
- Stop and report anything unsafe. You won't be punished for it.

Phones

- No phone use while welding, grinding, cutting, running equipment or driving.

Company vehicles & fuel cards

- Drive only with a valid license and Company approval.
- No personal use unless approved, and no passengers who aren't on Company business.
- Seat belts on. No handheld phone while driving.
- Report any accident or ticket right away.
- **No smoking or vaping in Company vehicles** — ever.
- Keep Company vehicles clean at all times, inside and out.
- Fuel cards are for Company vehicles and equipment only.

Tools & property

- Company tools stay Company property. Sign them out and return them at the end of the job, and when you leave the Company.
- Don't take material, scrap or equipment without permission.
- Report broken or damaged tools and equipment.

Conduct

- No drugs, alcohol or working impaired (Section 3).
- **No weapons allowed anywhere** — in the shop, Company vehicles, on Company property or on customer sites.
- No harassment, threats or fighting. Treat coworkers and customers with respect.
- Smoke only in designated areas, away from gas cylinders and anything flammable — never in Company vehicles.

Breaking these rules can lead to discipline, up to and including termination. These rules don't change the at-will relationship.

Employee Signature — I read and will follow these rules

15. Injury Reporting

Report every injury — even small ones — the same shift.

- 1. **Emergency? Call 911 first.** Then call your supervisor.
- 2. **Tell your supervisor right away and before the end of your shift.** This includes cuts, burns, arc flash / "welder's flash," metal in the eye, strains and near misses.
- 3. **Get care.** Use the first aid kit and eyewash for minor injuries. For anything more, the Company will direct you to the clinic listed below.
- 4. **Fill out the Injury & Incident Report** (Section 16) with your supervisor within 24 hours.
- 5. **Post-accident drug and alcohol test** may be required (Section 3).

Why same-shift reporting matters

Texas law gives you 30 days to report a work injury, but late reports make it harder to get treatment covered and to fix the hazard. That's why Company policy is the same shift.

No retaliation. The Company will not punish you for reporting an injury, filing a workers' compensation claim or raising a safety concern. Texas law and federal OSHA protect these rights.

What you need to know

- **You provide** safety-toe work boots (ASTM F2413). Wear cotton or wool under your welding gear — synthetic clothing can melt onto your skin.
- Inspect your PPE before each use. Turn in damaged PPE for a replacement.
- Lost PPE, or PPE damaged on purpose, may be charged to you only if you signed the Payroll Deduction Authorization (Section 12).
- **Respirators:** before you wear a tight-fitting respirator you need a medical evaluation and a fit test, and must be clean-shaven where it seals to your face.

18. Hazard Communication & Welding Safety Training

Required by OSHA before you work with hazardous chemicals. The trainer checks each topic covered.

✓	Topic
☐	Written hazard communication program and where the Safety Data Sheets (SDS) are kept: _____
☐	Labels and SDS: how to read container labels, pictograms, signal words and safety data sheets
☐	Welding fumes: manganese; hexavalent chromium from stainless; zinc from galvanized (metal fume fever). Use ventilation and fume extraction, and keep your head out of the plume.
☐	Gases and cylinders: argon, CO ₂ and mixes can displace air in tight spaces; oxygen, acetylene and propane. Chain and cap cylinders, store them properly, check for leaks.
☐	Arc radiation: UV burns and arc eye; use welding screens to protect others
☐	Fire and hot work: clear combustibles within 35 feet, fire watch, extinguishers, customer hot-work permits
☐	Grinding and cutting: wheels rated for the grinder's RPM, guards in place, sparks. CNC fiber laser: interlocks and guards — never bypass.
☐	Solvents, paints and cleaners: never use chlorinated degreasers near welding — the arc can turn the vapor into toxic phosgene gas
☐	Electrical shock: dry gloves, good insulation, inspect leads and cables
☐	H2S awareness for oilfield sites (if applicable)
☐	Emergencies: spotting a leak or release, eyewash and first aid locations, evacuation meeting point: _____
